Congratulations!

Your AWS Activate credits have been issued, and you can now access exclusive offers, technical expertise, and tailored resources to grow your startup on the [AWS Activate Console](#).

Your Activate Benefits

1. Build on AWS for FREE with AWS Activate Credits

Your \$10,000 in AWS Activate credits have been added to your AWS Account and will automatically apply towards the cost of eligible AWS services starting today. No action is required to redeem your AWS Activate credits and please wait 3-4 hours for these credits to be reflected in your [AWS Activate Console](#) homepage.

2. Get access to technical expertise with AWS Developer Support credits

We've issued \$350 USD in AWS Developer Support credits, valid for one year, to your account.

To activate your support credits, please enroll into Developer Support by selecting "Select a Support Plan" on the [AWS Developer Support page](#). Once enrolled, you can open as many support cases as you need via the [AWS Support Center](#) and to learn more about support billing, click [here](#).

3. Personalized recommendations to guide your AWS journey

Discover personalized recommendations on topics spanning AWS services, technical training, building on AWS, startup programs and acquiring customers. Get started today by completing your [startup profile](#) for the best AWS Activate Console experience.

To utilize these resources and track your AWS credits please visit the [AWS Activate Console](#). Please note: once your credits are consumed or expire, you will be charged for AWS services or support on your monthly bill unless you cancel those services.
